

COVID – 19 Safety Standards

Please read
before entering
our facility.

For the safety of our clients and our staff, please do not enter our clinic if any of the following apply. Feel free to return to your car, call us at **636-583-2858, and we will come out to the car to bring your companion into the clinic. The doctor will then call you to discuss your pet.**

- If you have a fever or have been exposed to someone who does
- If you have a cough or have been exposed to someone who does
- If you have traveled, by air, within the past two weeks
- If you have been out of the country or on a cruise ship in the past two weeks
- If you have been exposed to someone who is symptomatic
- If you have visited a high infection area of the United States

We are happy to treat your companion but, for everyone's protection, please wait in your car.
